The Johnsonville City-Bartlett County Public Library pledges to...

Monthly Goals

Replaces JBPL's "Education" focus area to identify actionable programmatic and education efforts. These can be implemented on a monthly basis

Address all needs of community members for library, health, and social services

By:

Providing welcoming, friendly customer service
Addressing library reference questions
Attending to health and social services requests

Listening to community needs

Daily Goals

Replacing JBPL's "Service" focus area, these goals outline a more specific way of implementing their efforts to service the community in a variety of aspects

Long-Term Goals

Combines focus
areas of
"Information
Access" and
"Accessibility."
These processes
will require more
time and effort to
implement, but also
identify a target
date for completion

Integrate educational programs for underserved populations

Ву:

Providing programming for children and teens

Assisting in employment for adults

Hosting free GED classes and
educational workshops
Performing outreach services
Engaging with the community's schools

Make efforts to remove common barriers faced when attempting to access information and provide an inclusive, accessible facility

By:

Integrating a fee-free library by 2025
Building a children's section/sensory lab by
2026

Making the facility ADA-compliant
Promoting diversity, equity, and inclusion
throughout every decision
Providing a clean, comfortable environment
Offering free iPads, Chromebooks, and WiFi
for all library patrons
